

MEDINA HOUSE SCHOOL

PUPIL PREMIUM INTERIM REPORT 2016-17

Pupil Premium funding is additional funding from the government, to support disadvantaged pupils, specifically those who are entitled to Free School Meals (FSM) (regardless of whether they take up this entitlement), Looked After Children (LAC) and Service Children. All members of staff and governors accept responsibility for 'socially disadvantaged' pupils and are committed to meeting their pastoral, social and academic needs within the school environment.

The governors of Medina House School are committed to allocating the pupil premium funding to support any pupils or groups of pupils the school has legitimately identified as being socially disadvantaged in order to address the current underlying inequalities between these pupils and their peers.

Provision will be made through:

- Facilitating pupils' access to education
- Facilitating pupils' access to the curriculum
- Alternative support and intervention within the school

Reporting Pupil Premium

It is the responsibility of the governors to explain pupil premium expenditure to parents in the form of an annual statement. This is published online on the website annually during the summer term.

The report aims to give detailed information on how Pupil Premium has been used within school. This report will detail the attainment and progress of pupils who are covered by the premium and the intervention that has been supported by the additional funding.

Regular reports will be presented on the progress of pupils supported by Pupil Premium to the Leadership and Management committee at Medina House School. **After the positive impact in pupil achievement last year, we are going to continue using the funding in the same way for this year (2016-17)**

2016/17 Income received for Free School Meal (FSM) Income , Looked After Children and Service Children

Total Number of Pupils eligible = 37 Total number of Pupils on roll = 72 Percentage of Pupil Premium/Whole School = 51%
