

Here to Help!

Do you need help with forms relating to your child?

Do you need help applying to a charity?

I will be here to help you on Wednesday 10th October,
from 8.45am—11.45am. I will be based at Medina House School.

Should you require support or someone to help you with all the details, please complete the attached reply slip, so that I can contact you and sort out a time slot.

We are planning to run 'Here To Help' sessions once every half-term.

Feel free to let me know of any future topics you'd like to cover.

Should you need help with something other than forms, please do not hesitate to ask.
