

Sibling Days 2019

Thank you to all the children who came from a variety of mainstream schools to spend the day with their siblings at Medina House School and Medina Cottage. There were lots of laughs, fun and questions. Most popular seemed to be toasting marshmallows on a campfire at Forest School, on what proved to be two of the hottest days of the year so far!

All the siblings behaved amazingly well and were very polite, and it was great to see our pupils enjoying the company of their brothers and sisters. Many thanks to Geoff who took the Forest School session. Also, thanks to all the staff members, who coped admirably with fuller classes.

As always, the visiting children were asked to complete evaluation forms before they left and here are some of their heart warming comments :-
